

This architectural site plan illustrates the layout of a building complex in Piazza Martiri d'Ungheria. The plan includes the following details:

- Site Context:** The building is situated in Piazza Martiri d'Ungheria, adjacent to Via Roma. A hatched area at the top represents a slope or undeveloped land.
- Building Layout:** The main building footprint is shown with internal room divisions. Key areas include:
  - Entrance (Ingresso):** Located on the right side, with a height of 2.40m.
  - Escalator (Scala):** A staircase is shown with a width of 3.15m and a slope of 1:40. It includes a 'uscita scala d'emergenza' (emergency exit).
  - Platform (Piazzola):** A platform with a width of 1.72m and a height of 1.66m.
  - Logistics (Logistica):** A logistics area with a width of 2.57m and a height of 1.64m.
- Elevations and Levels:** Numerous spot elevations are marked throughout the plan, such as (0,0), (-0,03), (-0,05), (-0,10), (-0,16), (-0,18), (-0,22), (+0,00), and (+0,10). These indicate the ground and building levels.
- Infrastructure:**
  - Drainage:** A 'canale di drenaggio acque' (water drainage channel) is shown running along the top right.
  - Counters:** A 'contatore acqua' (water meter) is located near the entrance.
  - Lighting:** A 'box light' is indicated near the entrance.
  - Video Box:** A 'video box' is located near the entrance.
- Annotations:**
  - INTERVENTO ALLA BASE DEL MONTANTE ESISTENTE VEDI TAV.21:** A note indicating an intervention at the base of an existing structure, with a reference to Tav.21.
  - proiezione copertura stazionamento bus e taxi:** A note indicating the projection of the bus and taxi parking area.
  - copertura scala vedi tav. P.ES.S.02:** A note indicating the staircase cover, with a reference to Tav. P.ES.S.02.
- Orientation:** A north arrow is located in the bottom right corner, pointing towards the top right.
