Midi Cable

5-Pole Male DIN connector (moulded plastic plug)
Basic series midi cable
5-Pole Male DIN connector (moulded plastic plug)

Lengths (meters): 0.5 - 1 - 1.5 - 2 - 3 - 5 - 9
Wire colours: Black (BK)

ROK SOLID

SERIES INSTRUMENT, MICROPHONE & AUDIO ADAPTOR CABLES

- The **RokSolid** Professional Cable Series redefines the essence of high-performance cable interfaces, with sleek contemporary design and superior technology, tested by the most prominent Italian laboratories.
- Manufactured to endure the most challenging situations, the **RokSolid** product line is engineered using professional “**Superflex**” cable featuring ultra-pure oxygen-free copper conductors for transparent signal transfer, thick spiralstyle noise-rejecting shielding that protects the signal from outside interferences, resistant durable PVC outer jacket for increased strength and flexibility.
- The **RokSolid** Series offers a wide variety of instrument, microphone and audio adaptor cables of excellent quality, distinguished by beautifully designed moulded connectors which allow for a supreme connection of your equipment to ensure outstanding performances time after time.

JUST

HIGH PERFORMANCE CABLES

The QUIK LOK® cable dedicated to everyday application in the audio field, from stage to rehearsal studio.

Respectful of your signal: flexible, durable, featuring **gold-plated pins** and **metal skin-tops**.

Elegant and hard-wearing, thanks to the outer sheath with exclusive knurled design present on most models of this series, for a special “**velvet**” effect.

FPC QUIKBOARD FLAT PATCH CABLES

The new FPC QUIKBOARD patch cables are extremely high-quality cables designed by Quik Lok to maximize space on your pedalboard. Their slender, ultra-thin shape allows for a neat cable management of your pedalboard, helping to save space and preventing annoying tangles of cables. Featuring extra-slim, right-angle 6.3 mm mono jack plugs with gold-plated contacts. Available in black colour, in a wide variety of lengths ranging from 10 cm to 90 cm to accommodate any musician's needs.

MADE IN ITALY

QUIK LOK CABLES: DESIGNED AND MANUFACTURED IN ITALY USING OUR HEAD AND FOLLOWING OUR HEART!!!

- The line of Italian-made Quik Lok cables is manufactured according to a simple but essential company principle, that all musicians can trust and rely on: High Quality, First and Foremost, at all price levels!!
- The bulk cable that we use in the making of our packaged leads is thoroughly produced in Italy by a European-leading manufacturer, to the strictest copper purity standards, and in full compliance with the most severe regulations set to guarantee high-quality cable conductors, insulation, shielding and flexibility.
- The technical specifications of all bulk cable models utilized in the making of our pre-assembled cable items are clearly described in the Bulk Cable section of our general product catalogue, available as reference to all Quik Lok users.
- We utilize very unique bulk cable models In the manufacturing of our line of premade Special Guitar Cables, exclusively designed for Quik Lok, specifically engineered by our R&D staff. By combining our vast experience in the music field and our passion for guitar with the excellent manufacturing skills and sophisticated technology of our cable production plant, we were able to create a line of very high-end guitar cables that serve the purpose of dramatically improving the sound of the most popular musical instrument of modern age and allow the most demanding professional guitar players to highly enhance their performance.
- Soldering on our whole Made in Italy cable line is performed following a state-of-the art production procedure, in full compliance with ROHS regulations, and all assembled cables are individually tested for quality to literally eliminate any chance of failure on the job.
- The connectors employed in each one of our numerous pre-assembled cable series are selected based on the price range that each series is targeting, scrupulously aiming at achieving the best Quality/Price ratio possible in the case of our ITALIAN STANDARD Series, whereas no room for compromise is left when it comes to our ITALIAN TOP Series and our SPECIAL GUITAR CABLE Series, where Total Quality becomes our one and only priority.
- Our ITALIAN STANDARD Series cables are assembled with great quality connectors that are Made in China under our supervision, most of which of Quik Lok's proprietary design. On the other hand, our ITALIAN TOP Series and our SPECIAL GUITAR CABLE Series exclusively employ the finest connectors available in the industry today such as original Neutrik connectors (strictly of Swiss manufacturing) and the ever so popular Amphenol connectors (Made in Australia).
- In our mind, cables are not just a plain, ordinary accessory, but a serious, crucial component of any musician's gear. A poor quality cable connecting your beloved instrument to your amplifier and signal processors is surely going to seriously jeopardize the end result of your performance, and will undoubtedly fail to deliver your sound the way you had envisioned it, the way it was meant to be, causing your expensive, high-tech equipment and extraordinary musical talent to become completely meaningless. This is the reason why at Quik Lok we are committed to providing far more than a simple amp-to-guitar cable interface, nothing but a fully reliable, trustworthy connection means, made to the highest quality standards, a cable incorporating outstanding features and amazing personality, a precious working tool that will help you enhance your performance tremendously and will truly become a vital part of your music.

**When picking your cables don't compromise, go for the best,
choose Quik Lok cables and feel the difference!**

Neutrik NC3FXX XLR Female connector
CM780BK cable
Neutrik NP3X Stereo 6.3 mm metal jack plug

Lengths (meters): 1 - 2 - 3 - 5 - 10
Wire colours: Black (BK)

ITTOP DMX3

DMX connecting cable - 512 DMX channels

Neutrik NC3FXX 3-Pin XLR Female connector
CM825 DMX cable - 120 Ohm
Neutrik NC3MXX 3-Pin XLR Male connector

Lengths (meters): 1 - 5 - 10 - 15 - 20
Wire colours: Black (BK)

ITTOP DMX5

DMX connecting cable - 512 DMX channels

Neutrik NC5FXX 5-Pin XLR Female connector
CM825 DMX cable - 120 Ohm
Neutrik NC5MXX 5-Pin XLR Male connector

Lengths (meters): 1 - 5 - 10 - 15 - 20
Wire colours: Black (BK)

SONIC SOLUTIONS for Musicians

SONIC SOLUTIONS SERIES HIGH DEFINITION INSTRUMENT CABLES MADE IN ITALY

Through a long research process carried out at our laboratories in Italy, our technicians and a team of professional musicians with extensive experience in the music industry have finalized something that goes well beyond a simple cable product, a true working mode providing SOLUTIONS for musicians, the **SONIC SOLUTIONS** cable.

This is the cable required by musicians to address their specific need to carry the instrument's sound to the amplifier in the most **transparent** and natural way possible.

The **SS[ONE]** SONIC SOLUTIONS cable presents very different timbre characteristics, not because it acts as a sound equalizer but because it features a different way of carrying the signal from the instruments – most especially the higher harmonics that particularly determine and distinguish timbre.

Conceived, designed, manufactured and distributed by the **SONIC SOLUTIONS by Quik Lok** working group, this cable is 100% made in Italy! This innovative technology allows to drastically lower the capacitance to 56 Pf/mt and achieve absolute sound fidelity.

Whether utilized with electric, acoustic or bass guitars, keyboards or others, this special cable accurately delivers the exact sound produced by the instrument all the way through to the output connection.

Astonishingly broad frequency response, extremely low distortion and full signal transparency are the unique, distinctive features that truly identify the **SS[ONE]** as the **HIGH DEFINITION MUSICAL INSTRUMENT CABLE** par excellence.

Try out our SS[ONE] cable, compare it with other high-end cables and you will be amazed by the sound difference!

Note: When using SONIC SOLUTIONS Cables for multiple connections it is highly recommended to keep consistent with the same cable type on the whole signal chain. This allows to maintain intact the specific audio characteristics that the cable provides and preserve the unique sound quality that it is expected to deliver.

SS/ONE

Instrument Cable

Amphenol TM2PB Mono 6.3 mm metal jack plug
Sonic Solutions One cable

Lengths (meters): 0.1 - 0.15 - 0.2 - 0.3 - 0.5
Wire colours: Black (BK)

SS/TRUE CONNECTION HIGH DEFINITION INSTRUMENT CABLE

The Sonic Solutions **TRUE CONNECTION** cable is 100% Made in Italy, created by the intuition of guitar virtuoso Massimo Varini and sound guru Marco Brunetti.

The perfect cable for those who generate their own sound with an audio interface, whether at home, in a studio or live. The **TRUE CONNECTION** permits to dynamically adapt the pickups' impedance to the input given by digital sound generators.

Digital systems have become a significant part of a guitarist setup, due to the benefits in terms of practicality and costs, but something seems to have gone lost.

The amplifiers input and the guitars output have electrical characteristics that should be considered when they are connected.

The cable capacity, the impedance and the pickups resonance could distort the instrument's timbre if they are not balanced one to another.

Those who use amp-emulators, profilers, digital pre-amps, multi effects or pedal-buffers will find in **TRUE CONNECTION** a real and natural sound through the direct connection between electric guitar and amp.

The most evident results are shown with the single coil or the splitted humbucker. The sound becomes warmer and less acid: from the most rock-sounding and distorted to the cleanest and brilliant sounds!

TRUE CONNECTION uses the SS/ONE cable. It symbiotically works with a circulation that has been studied in the domain of the fundamental guitar's frequencies. Guitarists and bassists will have a complete frequency range, totally balanced and respectful of the instruments characteristics. **TRUE CONNECTION** is the dynamic answer for those who use digital systems and a real connection between man, guitar and amplifier!!!

SONIC SOLUTIONS SERIES HIGH DEFINITION MICROPHONE CABLES

Through a long research process carried out at our laboratories in Italy, our technicians and a team of professional musicians have finalized the **SONIC SOLUTIONS** by QUIK LOK Microphone Cable.

This is the cable required by musicians to address their specific need to carry the exact sound produced by their instruments in the most **transparent** and natural way possible.

The innovative concept applied to this cable is the result of a new technology thoroughly developed at our R&D department in Italy.

This technology ensures a surprisingly strong and well defined signal, an excellent sound/noise ratio and absolute sound fidelity:

whether supporting the performance of a vocalist or utilized with electric, acoustic or bass guitars, keyboards or others, this special cable accurately delivers the sound exactly as produced, all the way through to the output connection.

Ingenious, innovative shielding design makes of this cable the perfect solution to endure the stress of live performing, while full signal **transparency** makes it also ideal for use in recording studios where total sound fidelity is a must.

Astonishingly broad frequency response, extremely linear and well balanced, achieved especially thanks to a phenomenal 0,58 µH/mt inductance rate.

Such exclusive, distinctive characteristics truly identify the **SS[TWO]** as the **HIGH DEFINITION MICROPHONE CABLE** par excellence.

SS/TWO

Microphone Cable

Amphenol AX3F XLR Female connector

Assembled Cables

SPECIAL GUITAR CABLES, UNIQUELY DESIGNED AND SPECIFICALLY ENGINEERED TO HIGHLY ENHANCE THE PERFORMANCE OF THE MOST DEMANDING PROFESSIONAL GUITAR PLAYERS

MADE IN ITALY

The passion for this instrument has led us to research and develop a series of highly specialized cables with the purpose of providing far more than a simple amp-to-guitar cable interface. These cables show a specific timber personality and amazing tone quality, as a result of the very particular technical specifications that distinguish the conductors utilized in the manufacturing of these models.

VITAMINA C Series: Designed using cable with a third outer conductor. The end result is an extremely well defined response, with light emphasis on both the output level and medium and extreme frequency range, particularly found in heavy sounds. Only very few other cables with standard or high output level can compare with such great features at such an affordable price. Excellent with clean sounds and a great match with high-gain channels.

QUIKSILVER Series: Built using cable with a third outer conductor, and silver-plated strands for the signal conductor. The outcome is a surprisingly linear response on the whole band, particularly as it relates to high frequencies, because of its unrivaled ability to enhance harmonics in a very pleasant way. Ideal for use with any electric strung instrument, and particularly with electro acoustic guitars and high-end digital keyboards.

Mains Cable

Schuko type wall plug

Female IEC 60320-C13 standard socket

Lengths (meters): 2

Wire colours: Black (BK)

MIDI CABLES

MADE IN ITALY

S/165

Midi Cable

5-Pole Male DIN metal connector

CM900 midi cable

5-Pole Male DIN metal connector

Lengths (meters): 1 - 2 - 3 - 4.5 - 6 - 9

Wire colours: Black (BK)

DIGITAL AUDIO CABLES **MADE IN ITALY**

C-AES/EBU

Digital audio cable

- Neutrik NC3FXXB XLR Female connector
- CM818 AES/EBU cable (100 ohm)
- Neutrik NC3MXXB XLR Male connector

Lengths (meters): 0.5 - 1 - 2 - 3
Wire colours: Black (BK)

DMX CONNECTION CABLES **MADE IN ITALY**

DMX/1400

DMX connecting cable

- 5-Pin XLR Female connector (the control circuit uses only 3 of 5 pins)
- CM825 Digital cable (3-Pole, 120 Ohm, suitable for up to 512 DMX channels)
- 5-Pin XLR Male connector (the control circuit uses only 3 of 5 pins)

Lengths (meters): 1 - 5 - 10 - 15 - 20
Wire colours: Black (BK)

DMX/1401

DMX connecting cable

- 3-Pin XLR Female connector
- CM825 Digital cable (3-Pole, 120 Ohm, suitable for up to 512 DMX channels)
- 3-Pin XLR Male connector

Lengths (meters): 1 - 5 - 10 - 15 - 20
Wire colours: Black (BK)

Assembled Cables

DIGITAL ETHERCON CABLES

MADE IN ITALY

ETH/5

Digital EtherCon Cat5e Cable

Designed to protect RJ45 connection contacts from breakage, meets the ever-growing requirements of data volume, transfer rate and bandwidth. The system is ideal for Ethernet applications in harsh, demanding environments such as audio, commercial, entertainment, live stage production, DMX lighting, outdoor Internet access and industrial Ethernet.

Certificate 10Mbps / Certificate 100Mbps / Compatible 1Gbps | 100Mhz

Neutrik NE8MC-1 EtherCon RJ45 cable housing
ETH1004 Cat5E Ethernet cable
Neutrik NE8MC-1 EtherCon RJ45 cable housing

Lengths (meters): 5 - 10 - 20 - 30 - 40 - 50

Wire colours: Black (BK)

ETH/6

Digital EtherCon Cat6 Cable

Designed for greater requirements of data volume, transfer rate and bandwidth. Ideal for Ethernet applications in audio, commercial, entertainment, live stage production, DMX lighting, outdoor Internet access and industrial Ethernet.

Certificate 100Mbps / Certificate 1Gbps / Certificate 10Gbps (short distance) | 250Mhz

RJ45 EtherCon cable connector
ETH1007 Cat6 Ethernet cable
RJ45 EtherCon cable connector

Lengths (meters): 5 - 10 - 20 - 30 - 40 - 50

Wire colours: Black (BK)

CABLE ACCESSORIES

STRAP/15 QUIKLOK

Adhesive velcro cable gripping tie Multi-purpose cable organizer can be used to tie up speaker cables, guitar and keyboard cables, microphone and computer cables, monitor and power cords and much more. Ideal for managing all kinds of cable and keeping them well organized and tidy in place.

Length: 15 cm – 5.9"

Color: Black

STRAP/18 QUIKLOK

Adhesive velcro cable gripping tie Multi-purpose cable organizer can be used to tie up speaker cables, guitar and keyboard cables, microphone and computer cables, monitor and power cords and much more. Ideal for managing all kinds of cable and keeping them well organized and tidy in place.

Length: 18 cm – 7.1"

Color: Black

STRAP/25 QUIKLOK

Adhesive velcro cable gripping tie Multi-purpose cable organizer can be used to tie up speaker cables, guitar and keyboard cables, microphone and computer cables, monitor and power cords and much more. Ideal for managing all kinds of cable and keeping them well organized and tidy in place.

Length: 25 cm – 9.8"

Color: Black

Assembled Cables

THE “600-K” SERIES OF STAGE BOX AUDIO SYSTEMS BY QUIK LOK

- Quik Lok introduces the “600-K” Series of stage box audio systems, designed to offer maximum value and guarantee absolute, consistent operation reliability.
- Heavy duty, powder coated, metal stagebox with integrated nylon handle.
- Built with flexible, professional multipair cable with black colour PVC jacket. Each pair contains 2x0.14mm (24 AWG) conductors, each made of 7x0.16 twisted copper strands, with 100% foil shield and polyethylene insulation.
- Both panel and fanout feature high-grade quality, hand-soldered metal connectors with imprinted numbers and letters.
- Supplied with nylon carrying bag.
